Investment Objectives & Strategy

Founded 2016 in Singapore by Commodity market, shipping and trade logistic veterans, TradeFlow Capital Funds' is a digitalised, non-credit approach to enabling physical commodity import/export transactions offering high, stable returns to investors. TradeFlow minimises the pure credit risk faced by traditional trade logistic solutions, and replaces it with real-world insurable physical risks. Each transaction is individually insured with Marine Cargo All-Risk Insurance from a diversified group of reputable and highly rated insurers.
